PLEASE READ THIS BEFORE ORDERING PARTS

When you order parts we need the following information.

1. Your Name
2. Company Name
3. Shipping Address
4. Billing Address
5. Phone Number
6. Machine Model Number
(located on hydraulic control console)
7. Machine Order Number
(located on hydraulic control console)
8. Left Hand or Right Hand
9. Purchase Order Number
10. Parts Required
 - A. Part Number
 - B. Catalog Number
 - C. Drawing Number
 - D. Description
 - E. Quantity

Having the above information ready when you call will help to insure that we ship the right parts to you as quickly and efficiently as possible.

To determine the hand of your machine:

1. Stand on the discharge end of the machine facing the product as it is discharged off the deck.
2. On left hand machines the good product (heavy fraction) is discharged on the left side.
3. On right hand machines the good product (heavy fraction) is discharged on the right side.

A drawing showing both left and right hand machines is included with this parts list. Please use it as a reference.

Thank you for purchasing Oliver equipment. If you have problems or questions please feel free to call us any-time.
